

Job Description – School Kitchen Manager

St. Joseph Catholic School in Waconia, MN is looking for someone special to spread their joy of Christian living through the development of an outstanding food service program. The right person for the job will be someone who loves cooking, loves kids, is enthusiastic, is creative, makes great meals and works hard to create a clean, safe joyful working environment.

The main role is to create menus, order, prepare, cook, and present healthy and appealing food for School Lunch, School events, and Catered events for St. Joseph Catholic Community. Inherent with this vocation is a strong understanding of and ability to keep the kitchen food storage areas and kitchen equipment safe, clean and hygienic at all times.

Primary responsibilities include:

- Lunch Program – Work as School Lunch Chef to prepare amazing school lunches with daily food preparation, cooking and presentation in compliance with high food service standards of quality, safety, hospitality and the efficient meeting of deadlines. Work joyfully and communicate positively and effectively with school students, school/parish staff and school lunch volunteers.

Job Qualifications

Required

- Food Service experience – planning, prep and execution.
- Understanding of food safety procedures
- Proven ability to work under pressure Preferred
- Formal food training/education
- Serve Safe certification/food manager license.
- Baking/pastry experience

Institution Description

St. Joseph Catholic Community in Waconia is a rapidly growing community with a preK-8 school. Our mission is to Know, Love and Serve the Lord and we live that mission in all that we do.
